Re: Domestic Fixed Satellite Earth Station E960233

Dear Ms Salas;

Minnesota Public Radio, licensee of domestic fixed satellite service earth station E960233 (the "Station") certifies that construction of the Station has been completed as authorized in FCC File No. 1208-DSE-MP/L-97, granted on June 20, 1997. The antenna has been tested and is within 2 dB of the pattern specified in Section 25.209 of the Commission's Rules. The Station began operating on November 17, 1997, and will remain operational unless the license is submitted for cancellation.

Respectfully submitted.

Thomas J Kigin  
Vice President
