Notice of Resumption of Normal Operations

Dear Ms. Salas:

By letter dated September 21, 2000, Minnesota Public Radio ("MPR"), licensee of KSJR-FM, Collegeville, Minnesota, requested special temporary authority to operate the station at reduced power due to equipment failures. This is to advise the Commission that as of September 27, 2000, the station resumed normal full-power operations. Accordingly, MPR's request for special temporary authority may be dismissed as moot.

Please contact this office if there are any questions.

Respectfully submitted,

Todd M. Stansbury
