Notice of temporary reduction of operations

Dear Ms Dortch:

In accordance with 47 CFR 73.561 (d), Minnesota Public Radio ("MPR"), licensee of WGGL -FM, Houghton, MI, hereby informs the Commission that MPR has temporarily been operating WGGL FM at reduced power since January 24, 2003. A replacement transformer is on order and MPR expects to have the facility back on the air at its fully authorized power within the next three weeks.

An Anti-Drug Abuse Act certification form is attached. MPR is a noncommercial educational licensee, therefore, no fee is required for this filing.

Sincerely,
