In re: WSCN(FM), Cloquet, MN
Minnesota Public Radio
Special Temporary Authority
Facility ID# 42975

Dear Applicant:

This letter is in reference to your attorney's letter dated April 14, 1999, as amended June 21, 1999, requesting Special Temporary Authority (STA) to operate WSCN with licensed facilities authorized in BLED-900717KA except with an effective radiated power (ERP) reduced to 65% of its authorized level. This STA is necessary so that WSCN can repair its tower that was severely damaged by an ice storm.

In view of the above, SPECIAL TEMPORARY AUTHORITY IS HEREBY GRANTED to operate WSCN with an ERP reduced to 65% of its authorized level. This authority expires February 13, 2000. Please notify the Audio Services Division (ASD) by letter when full power operations resume.

Sincerely,

for James D. Bradshaw
