Re: **Minnesota Public Radio**  
**Notice of Change of Primary Station Being Broadcast**  
**FM Translator K297AD, Grand Rapids, Minnesota**

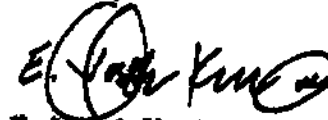

Dear Ms Salas:

On April 26, 1999, Minnesota Public Radio ("MPR"), licensee of FM Translator K297AD, Grand Rapids, Minnesota (the "Station"), notified the Commission that due to a severe ice storm that caused the Station's primary station, WSCN(FM), Cloquet, Minnesota, to temporarily go off the air, MPR had commenced rebroadcasting the signal of WIRN(FM), Buhl, Minnesota, on the Station. Both WSCN and WIRN are licensed to MPR.

On June 22, 1999 the Station resumed rebroadcasting the signal of WSCN(FM), the primary station listed on its license.

Should there be any questions concerning this matter, please contact the undersigned.

Sincerely,

E. Joseph Knoll III
